

Under The Patronage of:

# 2<sup>ND</sup> CURRENT CONCEPTS SIGASCOT

## THE OSTEOARTHROTIC KNEE. UPDATE.

Honorary Presidents: Giancarlo Melis, Claudio Velluti

Congress President: Massimiliano Salvi

Scientific Chairmen: Roberto D'Anchise, Francesco Giron

SOCIETÀ ITALIANA GINOCCHIO, ARTROSCOPIA, CARTILAGINE, TECNOLOGIE ORTOPEDICHE

CAGLIARI, 27-28 GIUGNO 2011

**Monday June 27**

	Chairmen: Giancarlo Coari Remigio Puddu	Topic 1.Introduction to Knee osteoarthritis	
08.40		What do we mean by Osteoarthritis today?	Giuseppe Peretti
08.50		Is there a place for Viscosupplementation in knee osteoarthritis?	Marco Conte
09.00		Is there a place for surgical knee sparing procedures in knee osteoarthritis?	Fredrick Almquist
09.10		Is there some new on tissue engineering?	Stefano Zaffagnini
9.20-9.50	Discussion		
09.50	Take Home Message		Matteo Denti
		Topic 2.Osteotomy and Knee Replacement	
	Chairmen: Walter Pascale G. Andrea Ruju	2.1.Valgus Knee	
10.00		Femoral osteotomy. When and How	Giancarlo Puddu
10.10		Lateral Unicndylar Knee Replacement in valgus knee. When and How	Christopher Dodd
10.20		Total Knee Replacement in valgus knee. When and How	Gilles Scuderi
10.30 - 11.00	Discussion		
11.00	Take Home Message		W. Norman Scott
	Chairmen: Alberto Momoli Francesco Caputo	2.2. Varus Knee	
11.10		High Tibial Osteotomy. When and How	Massimo Berruto
11.20		Medial Unicndylar Knee Replacement in varus knee. When and How	Carlo Fabbriani
11.30		Total Knee Replacement in varus knee. When and How	Roberto Buzzi
11.40		Osteotomy or Unicndylar knee replacement? This is the question!	Antonio Delcogliano
11.50-12.20	Discussion		
12.20	Take Home Message		Bryan Springer
	Chairmen: Biagio Moretti Giuseppino Mela	2.3.Severe deformity and complex primary TKR	
12.30		Post traumatic severe varus-valgus deformity	Paolo Adravanti
12.40		The Unstable Knee	W. Norman Scott
12.50		The stiff knee	Fred Cushner
13.00-13.30	Discussion		
13.30	Take Home Message		Adolph Lombardi
13.40- 14.30	Lunch and Technical Exhibits		

# Current Concept in Knee: The Osteoarthritic Knee. Update

Congress President

Massimiliano Salvi

	Chairmen: Sergio Avondo Paolo Tranquilli Leali	2.4 Patello-femoral osteoarthritis	
14.30		Non prosthetic surgical option in treatment of patello-femoral osteoarthritis	Ferran Montserrat
14.40		Is patello-femoral prosthesis a consistent alternative in isolated patello-femoral osteoarthritis ?	David Dejour
14.50		Is Bi-uni Knee Replacement a consistent alternative to TKR in unilateral tibio-femoral and symptomatic patello-femoral osteoarthritis?	Norberto Confalonieri
15.00		Resurfacing versus non resurfacing of the patella in TKR. Where's the truth?	Claudio Zorzi
15.10-15.40	Discussion		
15.40	Take Home Message		Fred Cushner
	Chairmen: Donato Rosa Salvatore Porqueddu	Topic 3. New technology and new concepts in Knee Replacement	
15.50		HemiCUP Implant	Vincenzo Madonna
16.00		Inlay miniunicondylar Knee Replacement	Marcacci Maurilio
16.10		Bi-unicondylar Knee Replacement	Sergio Romagnoli
16.20		What's new in lower limb and components alignment in TKR?	Victor Jan
16.30		What we have learned by MIS:Less invasive surgery in Knee Arthroplasty	Emanuel Thierpont
16.40		What we have learned by CAOS	Kim Raymond
16.50		TKR patient specific instrumentation	Adolph Lombardi
17.00		Interactions between the knee prosthesis and the soft tissues	Andrew Amis
17.10-17.40	Discussion		
17.40	Take Home Message		Fabio Catani
	Chairmen: Giuliano Cerulli Vinicio Ingianni	Topic 4. Knee Replacement in young adult	
17.50		Implant selection in young osteoarthritic patients. Difficult decision making	Kim Raymond
18.00		Unicondylar	Joao Espreguiera-Mendez
18.10		High flexion Implants	Gilles Scuderi
18.20		Mobile Bearing	Alessandro Masini
18.30		New polyethylene	Claudio Castelli
18.40		Uncemented TKR	Alfredo Schiavone Panni
18.50-19.20	Discussion		
19.20	Take Home Message		Piero Volpi
20:30	Dinner

**Tuesday June 28**

	Chairmen: Massimiliano Salvi Roberto D'Anchise	Topic 5. Revision	
08.00		Why TKR fail today	Bruno Violante
08.10		Ipersensitivity and allergies. Mith or reality?	Massimo Innocenti
08.20		Planning of failed Knee Replacement	Giorgio Gasparini
	15' Presentations	5.1 Surgical technique step by step	
08.30		3 step revision	Gilles Scuderi
08.45		Exposure	Francesco Giron
09.00		Management of Bone defects	Ian Barlow
09.15		Management of flexion gap	Andrea Baldini
09.30		Management of stems. When and how	Bryan Springer
09.45		Management of the extensor mechanism	Francesco Benazzo
10.00		Options in failed UKR	Roland Becker
10.15		Is CAOS an useful tool in revision surgery?	Sandro Giannini
10.30		Salvage knee arthroplasty with a megaprosthesis	Russell Windsor
10.45		Outcomes of Revision Knee Replacement	Bryan Springer
11.00-11.45	Discussion		
11.45	Take Home Message		Raymond Kim
12.00-13.00	Lunch and technical exhibits		
	Chairmen: Alberto Branca Silverio Zanetti	Topic 6. Revision for Infected Knee Replacement	
13.00		New infections	Carlo Romanò
13.10		Management of the infected knee replacement	W. Norman Scott
13.20		How to prepare the spacer?	Pietro Randelli
13.30		Antibiotic and cement. What to do	Fred Cushner
13.40		Is there a place for one stage replacement?	Thorsten Gerhke
13.50-14.20	Discussion		
14.20	Take Home Message		Russell Windsor
14.30 - 14.45		New perspectives in the pharmacological treatment of the osteoarthritic patient	Carlo Romanò
	Chairmen: Gilles Scuderi Paolo Sailis	Topic 7. Case Presentation	Gilles Scuderi
14.40-16.45		10 Clinical cases and discussion with the floor	
		14' each	

## International Chairmen:

### **Fredrick Almqvist**

Dept. of Orthopaedic Surgery  
Ghent University Hospital  
Gent, Belgium

### **Andrew Amis**

Professor of Orthopaedic Biomechanics  
Imperial College  
London, UK

### **Ian Barlow**

Consultant Orthopaedic Surgeon  
Primary Specialty Orthopaedic Surgery  
Winterbourne Hospital  
Dorchester, Dorset, UK

### **Roland Becker**

Klinik Dr. Guth  
Orthopaedic Surgeon  
Hamburg, Germany

### **Fred Cushner**

Attending Orthopaedic Surgeon  
Lenox Hill Hospital  
New York, USA

### **David Dejour**

Orthopaedics and Traumatology  
Surgery Sauvegarde Hospital  
Lyon, France

### **Christopher Dodd**

The Oxford Clinic for Specialist Surgery  
Oxford, UK

### **Joao Espreguiera– Mendes**

Vice- President of the European Society of Sport Traumatology,  
Knee Surgery and Arthroscopy (ESSKA)  
Barcelona, Spain

### **Raymond Kim**

Co-medical Director  
Colorado Joint Replacement  
Denver, Colorado, USA

### **Thorsten Gerhke**

Medical Director  
ENDO-Klinik  
Hamburg, Germany

### **Adolph V. Lombardi**

President of the Joint Implant Surgeons  
New Albany, Ohio, USA

### **Ferran Montserrat**

Orthopaedic Surgeon  
Centro Medico Teknon  
Barcelona, Spain

### **Gilles Scuderi**

Director Orthopaedic Surgeon, Insall Scott Kelly Institute  
New York, USA

### **Bryan D. Springer**

OrthoCarolina Hip and Knee Center  
Charlotte, North Carolina, USA

### **W. Norman Scott**

Director of the Insall, Scott & Kelly Clinic  
New York, USA

### **Emmanuel Thienpont**

Orthopedic Surgeon  
University Hospital Saint Luc  
Bruxelles, Belgium

### **Russell E. Windsor**

Attending Orthopaedic Surgeon, Hospital for Special Surgery,  
Professor of Surgery  
Weill Cornell Medical College  
New York, USA

### **Jan Victor**

Head of the Department of Orthopedics, St Lucas  
Brugge, Belgium
